Library Patron Guide

How to search the catalogue, reserve items and use the self-service kiosk

1. Searching the catalogue

You can search from any phone, tablet or computer. No login is needed.

1. Open the library website and choose **Public Library**.
2. Type part of a **title** or a **library code** into the search box.
3. Press **Search**. Matching items appear as cards.
4. Choose **View Details** on a card to see the author, artist, age range and more.

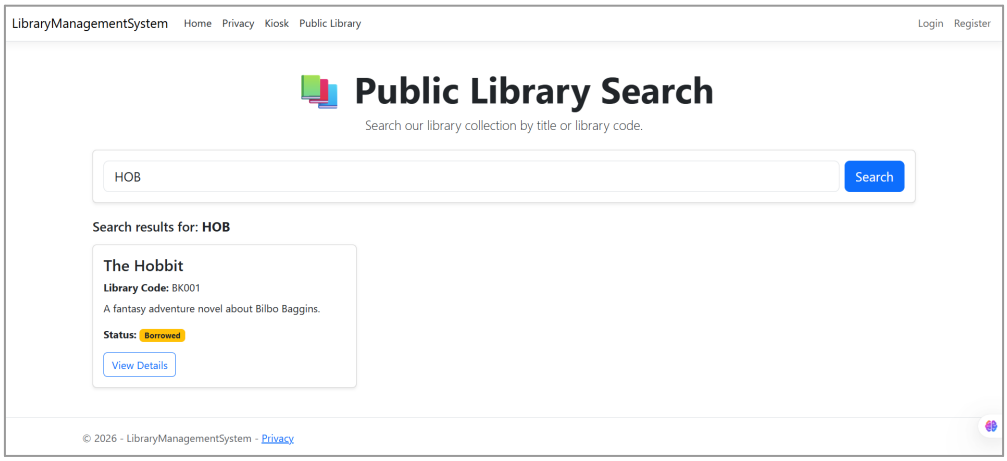

Figure 1: Searching the catalogue for "HOB" shows The Hobbit and its status

What the status colours mean

Green	Available	You can borrow it now.
Yellow	Borrowed	Someone has it. You can reserve it.
Red	Damaged	Being repaired. You can reserve it.
Black	Destroyed	No longer in the collection.

Tip: no results? Try fewer letters, for example "hob" instead of "The Hobbit".

2. Reserving an item that is not available

1. Open the item's **View Details** page. If it is Borrowed or Damaged you will see **Reserve this item**.
2. Enter your **member number** and the **email address** the library has for you.
3. Choose **Join the queue**. The screen tells you your place in line.
4. When the item is returned we notify you. It is then held for you ahead of everyone behind you in the queue.
5. To cancel, use **My account** on a kiosk, or ask at the reception desk.

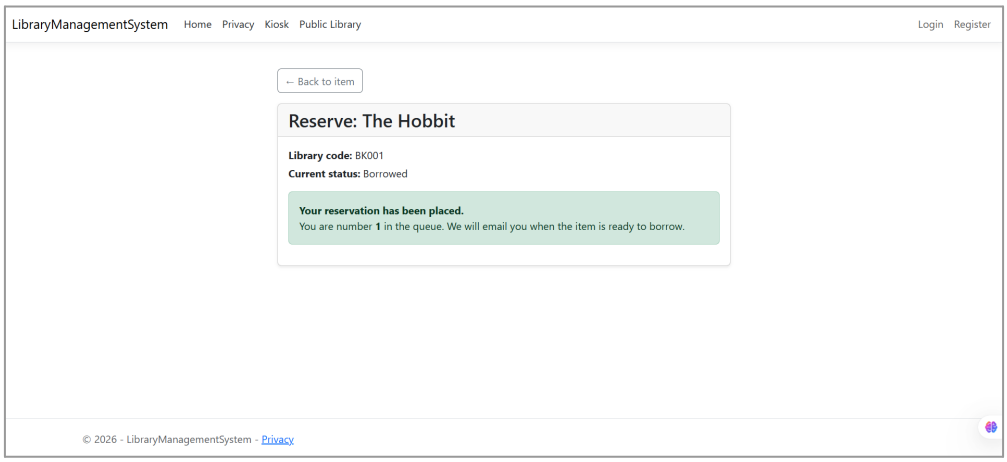

Figure 4: Confirmation with your place in the queue

3. Using the self-service kiosk

Borrow an item

1. Touch **Borrow an item**.
2. Enter your member number and email, then touch **Continue**.
3. Scan the code on the item, or type it, then touch **Borrow**.
4. The screen shows your due date. Borrow another item, or touch **Finish & sign out**.

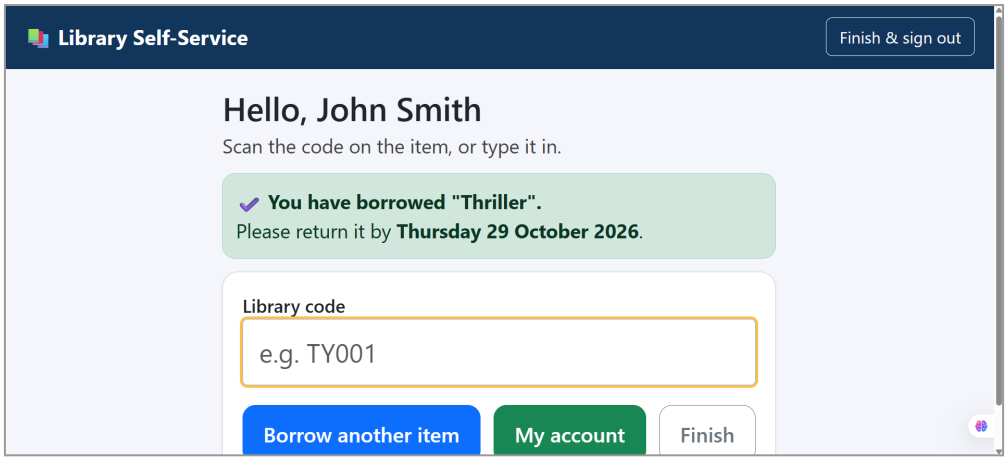

Figure 7: Confirmation with the due date after borrowing

Check your account

1. Touch **My account** and sign in.

2. See what you have on loan (overdue items are marked in red), any unpaid fines and your reservations.

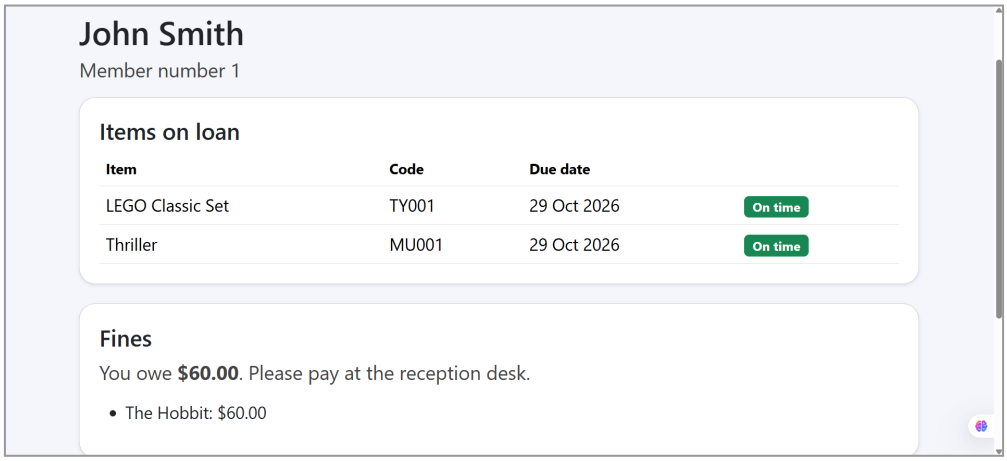

Figure 8: My account shows loans, fines and reservations

Always touch **Finish & sign out** when you are done. The kiosk also signs you out after a short time with no activity.

4. Late items and fines

Late items cost **$2.00 per day**. Fines are paid at the reception desk. Your unpaid fines are shown under **My account** on the kiosk.

5. Troubleshooting

Problem	What to do
"We could not match those details"	Check your member number and the email address the library holds for you. Ask staff if you are unsure.
"Too many unsuccessful attempts"	Ask a member of staff for help.
"We could not find that code"	Check the code on the item, for example TY001, and try again.
"Not available right now"	Reserve the item from the Public Library page.
"Held for another member"	Someone ahead of you in the queue has priority. Try again later.
